📍 Galataga, Belgaum, KA

OBJECTIVE

I am eager to leverage my strong foundation in HTML, CSS, JavaScript, Bootstrap, React.js, PHP, and more to contribute to your company's growth. With a commitment to continuous learning and a passion for expanding my skills and experience, I aim to transition from a beginner to a professional, bringing high-quality skills and fresh perspectives to your team.

SKILLS

- HTML5, CSS3
- JavaScript
- Bootstrap
- PHP
- React.js (basic knowledge)
- MYSQL (basic knowledge)

MY PROJECTS

Online Student Attendance System | HTML, CSS, JS, PHP, MySQL (My first college project)

My Online Student Attendance System project is a very simple and easy web project. Using this system teachers and students have the power to take and give their attendance in a very easy and simple way.
    Using this web application teachers can take attendance of students at a time using the 4 digit attendance code

Audio Visualizer | HTML, CSS, AND JS
